The Ess-a-Bagel Story

Ess-a-Bagel, Yiddish for “eat a bagel” was founded in 1976 in New York City. Drawing on lessons learned from traditional Austrian baking, they created their signature, enormous hand-rolled bagels. With wonderfully soft interiors and crusty exteriors, these bagels have earned a well deserved following and award-winning reputation.

Baker’s Crust is delighted and proud to introduce Ess-a-Bagel to the area. Take a bite and discover the quintessential bagels New Yorkers have loved for 50 years.
